Heidi, I asked by email before the weekend to set up proper times for me to speak with the girls over the weekend on Facetime directly without any supervision from your part and at decent hours French time.

09:06 ✓

I'm sad to see that you tried again to call me in the middle of the night at 3.10am knowing obviously that I would be asleep and it shows your clear efforts at trying to prevent any communication between me and the girl...
